COVID-19 UPDATE:

In a continuing effort to bring some normality back to our business, while ensuring that we follow the advice of our medical experts, we would like to announce that our counter will re-open to the public commencing June 8th, 2020. Our regular hours of Monday-Friday 6:30am-4:30pm will remain in effect. We will be practising proper social distancing, as well as frequent sanitation measures to help reduce the possible risk of spreading COVID-19. We are asking our customers to help us achieve this goal by wearing personal protective equipment and following instruction by our staff during the visit to our counter for pickup. Together, we can beat this Pandemic and get back to our normal life!

Thank you for your patience and continued support during this unprecedented time in our world.

Regards,

Management
